

2024-2025 Pastor / Christian Ministry Tuition Benefit Application

In an effort to honor those who hold the office of Pastor in our churches, or those who work in full time Christian Ministry (i.e. Missionaries), and to make our school affordable to their families, Providence Academy offers a financial needs-based tuition assistance of up to 90% off the full price of tuition. To be eligible, one must receive their family's primary compensation from full-time Christian ministry, spreading the Gospel as a pastor or missionary of an approved Christian Institution. For Pastors, this must be verified by the Senior Pastor of your Church or if you are the Senior Pastor, it must be verified by the Church Chair, Trustee or other appropriate official. For Christian Ministry workers this must be verified by the organization you are employed by. This form must be completed every school year. Eligibility to receive this benefit will be determined, at its sole discretion, by Providence Academy.

In addition to completing this form, each pastor/ministry worker must apply for tuition financial assistance through FACTS Aid. Please login to your family's FACTS account. Once logged in, under *FACTS Grant and Aid*, click on *Start Application*. If you are eligible for the full 90% tuition discount, you will receive it. If you are eligible for less than 90%, you will receive that amount as determined by the financial aid process. Our desire is that finances would not be a barrier for any family to attend Providence Academy. If the amount of aid granted is less than you can afford, our school's finance team has historically come alongside families in situations similar to your own and helped them navigate financial challenges. We would hate for finances to get in the way of your children(s) education and encourage you to reach out to the office at Providence Academy.

Complete the following if you are the Pastor/Christian Ministry Applicant and have also completed FACTS Aid

If you are bi-vocational in a church plant setting, fill out the form and either the Headmaster or Board Chair will contact you for more information.
